How the information is used

Once your assessment is complete, your results will be forwarded to an underwriter, who will use it to make a decision about your insurability. Based on the underwriter's evaluation, your coverage may be:

- Approved at the rate your financial professional quoted you.
- Approved, but at a rate different from the one originally quoted by your financial professional.
  - –Thrivent will explain its decision, and your financial professional may contact you to discuss the underwriting decision, as well as any additional requirements and available options.
- Denied. In this case, you will receive a letter from Thrivent explaining the reason(s) you were denied.

In certain circumstances, you may be reconsidered at a future date. If any special workups or tests are required as part of the reconsideration, they will be done at your expense.

Your financial professional may contact you to discuss additional or alternative options for your extended-care strategy.

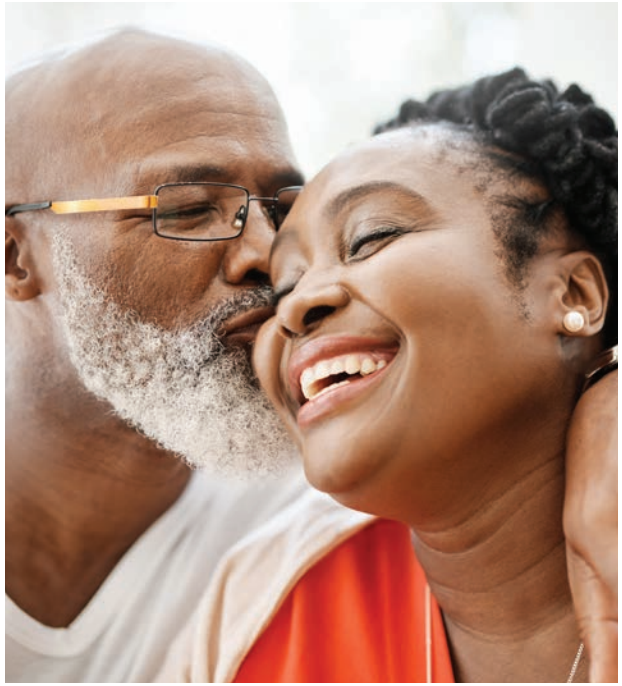
Your Underwriting Process–

Long-term care insurance



What to expect next

You deserve a financial plan that you feel confident about—Thrivent is here to help with the necessary steps to take on the road to your retirement. Once you apply for Thrivent Long-Term Care Insurance, your underwriting process will begin. Take a deeper look, so you know what to expect from us and what the underwriting process will entail.

Your financial professional will gather your medical information during the application process, or it will be taken during a phone interview. Typically, assessments are ordered based on your age (see below). However, the underwriter can order an assessment for applicants of any age on a discretionary basis.

Your physician may require special authorization before releasing your medical records. Please respond to any requests as soon as possible to ensure the timely processing of your application.

The telephone assessment

The telephone assessment is conducted by a nurse, who will gather, validate or clarify your medical and nonmedical information. If your medical information wasn't gathered when you completed your application process, the nurse will ask questions about medical conditions you may or may not have had within the past 10 years, including:

- Names of conditions and dates of diagnoses.
- Names and addresses of the doctors seen for the conditions.
- Names and dates of medications prescribed or taken for the conditions.
- Names, dates and results of treatments and tests performed.
- Names, addresses and phone numbers of any treatment facilities used.

To minimize your time, it is helpful to have this information available during the assessment. Depending on your age and medical status, you also may be asked to participate in a cognitive acuity screen.

The in-home face-to-face assessment

If you are required to participate in an in-home face-to-face assessment, a nurse will call you to schedule an appointment at your convenience. During the assessment, you'll be asked to provide identification and answer standard questions about your medical history. The nurse will also take your blood pressure and record your height and weight. (No blood work or urinalysis is needed.) You also may be asked to participate in a cognitive acuity screen.

The cognitive acuity screen

Some people must also participate in a cognitive acuity screen in addition to the telephone or face-to-face assessment. Thrivent uses the Minnesota Cognitive Acuity Screen, a standardized assessment used by many long-term care insurance providers. You will be asked questions to assess your:

- Orientation
- Repetition
- Attention
- Naming computation
- Word recall
- Judgment
- Comprehension
- Verbal fluency

To help ensure your comfort and the best results, you'll want to select a time and place free from distraction. If family or friends are present during the screening, they will need to be in a separate room.

What's needed*		
If your age is	And you **have** consulted with a physician in the last 24 months	And you **have not** consulted with a physician in the last 24 months
18 to 59	• A telephone assessment and prescription check will be needed unless your physician is asked to provide medical records for certain medical conditions.	• A telephone assessment will be needed. • A prescription check will be ordered.
60 to 69	• A telephone assessment with a cognitive acuity screen will be needed. • Medical records from your physician will be requested.	• An in-home face-to-face assessment with a cognitive acuity screen will be needed. • A prescription check will be ordered.
70 or older	• An in-home face-to-face assessment with a cognitive acuity screen will be needed. • Medical records from your physician will be requested.	• An in-home face-to-face assessment with a cognitive acuity screen will be needed. • A prescription check will be ordered.
California applicants	• Medical records will be requested, and a prescription check will be ordered for all proposed insureds from California, regardless of their age and their last consultation with a physician. • Proposed insureds aged 18 to 59 will undergo a face-to-face assessment without a cognitive acuity screen if they have not consulted a physician in the last 24 months. • Proposed insureds aged 60 and older should refer to the guidelines in the columns above.	

*A typical telephone assessment takes approximately 15 minutes, a telephone assessment with a cognitive acuity screen takes approximately 30 minutes and an in-home face-to-face assessment takes approximately 40 minutes.

- **International Care.**
  International Care provides limited coverage for Qualified Long-Term Care Services received outside of the United States.

d) **Eligibility for the Payment of Benefits:**
Your contract covers only Qualified Long-Term Care Services.

Qualified Long-Term Care Services are necessary diagnostic, preventive, therapeutic, curative, treatment, mitigation and rehabilitative services and maintenance or personal care services that are:

- Required by a Chronically Ill individual; and
- Provided pursuant to a Plan of Care.

To be eligible for benefits under this contract, all of the following **Conditions on Eligibility for Benefits** must be met:

- You are Chronically Ill and receive Qualified Long-Term Care Services specified in a Plan of Care;
- The Elimination Period has been met, when applicable; and
- Coverage is not excluded.

Chronically Ill means that a licensed health care practitioner has within the preceding 12-month period certified in writing that you have:

- A **Physical Impairment** that is expected to last at least 90 days. A Physical Impairment prevents you from performing two or more of the following Activities of Daily Living without substantial assistance from another person: bathing, continence, dressing, eating, transferring or using the toilet; or

- A **Cognitive Impairment** which is an impairment of the mind that:
  a) Is comparable to (and includes) Alzheimer's disease and similar forms of irreversible dementia;
  b) Is measured by clinical evidence and standardized tests that reliably measure impairment in an insured's short-term or long-term memory, orientation as to person, place or time, deductive or abstract reasoning, and judgment as to safety awareness; and
  c) Results in the need for continual supervision (which may include cuing by verbal prompting, gestures or other demonstrations) by another person to protect that insured from threats to his or her health or safety (such as may result from wandering).

A **Plan of Care** is a written document that prescribes Qualified Long-Term Care Services that are consistent with an assessment of your impairment. The Plan of Care must be prepared and signed by a licensed health care practitioner and must include services or treatment that could not be omitted without adversely affecting your health.

Care Coordinator Services.
A care coordinator can help develop your Plan of Care. Care Coordinator Services are offered to assist in identifying care needs and community resources available to deliver care while you are Chronically Ill. If you contact us and use a care coordinator referred to you by us, these services are provided at no cost to you and are not subject to the Elimination Period.

Contingent Nonforfeiture Benefit.
Your contract includes a Contingent Nonforfeiture Benefit provision. This benefit provides you the option to reduce your coverage or convert to a reduced paid-up contract in the event of a substantial premium increase.

The paid-up coverage will have an Available Benefit equal to the lesser of the Nonforfeiture Credit and the Available Benefit in effect immediately before the date paid-up coverage becomes effective. The Nonforfeiture Credit is equal to the greater of the total of all premiums paid by you and applied to your contract and the Maximum Monthly Benefit in effect on the date paid-up coverage becomes effective.

Benefits will be paid subject to all of the conditions and limitations of your contract. All optional benefit riders on your contract will terminate on the date paid-up coverage becomes effective. Paid-up coverage will terminate on the date the Available Benefit reaches zero.

e) Optional Benefits.

For an additional cost, you may elect any of the optional benefit riders listed below.

Nonforfeiture Benefit.

After your contract has been in force for three years, the Nonforfeiture Benefit rider provides paid-up coverage if you give us notice to cancel your contract or your contract terminates for nonpayment of premium.

The paid-up coverage will have an Available Benefit equal to the lesser of the Nonforfeiture Credit and the Available Benefit in effect immediately before the date paid-up coverage becomes effective. The Nonforfeiture Credit is equal to the greater of the total of all premiums paid by you and applied to your contract and the Maximum Monthly Benefit in effect on the date paid-up coverage becomes effective.

Benefits will be paid subject to all of the conditions and limitations of your contract. All optional benefit riders on your contract will terminate on the date paid-up coverage becomes effective. Paid-up coverage will terminate on the date the Available Benefit reaches zero.

Shared Care Benefit.

The Shared Care Benefit rider allows you and your benefit partner to share each other's Available Benefit if one of you exhausts his or her own Available Benefit. You and your benefit partner must each own a Thrivent Financial for Lutherans long-term care insurance contract with identical coverage issued on the same date that includes this rider and names each other as a benefit partner.

Survivorship Benefit.

The Survivorship Benefit rider will waive your premiums for life if after ten years from the date of issue of the rider your benefit partner dies. This benefit will not be paid if either you or your benefit partner was Chronically Ill within the first ten years from the date of issue of the contract. You and your benefit partner must each own a Thrivent Financial for Lutherans long-term care insurance contract with the same date of issue that includes this rider and names each other as a benefit partner.

Waiver of Elimination Period for Home Care and Adult Day Care.

The Waiver of Elimination Period for Home Care and Adult Day Care rider will waive the Elimination Period requirement when receiving benefits for Home Care or Adult Day Care. The days of care you receive will still help you satisfy the Elimination Period for other types of care that may be needed in the future.

Return of Premium upon Death.

The Return of Premium upon Death rider will return premiums paid (less any benefits paid and accumulated dividends paid upon death) to your estate if you die and your rider has been in force for at least ten years. Benefits paid under this rider will reduce your Available Benefit. This benefit may have tax implications for your estate. You are advised to consult a tax advisor.

Cash Benefit.
In any calendar month in which you receive Long-Term Care Benefits for expenses incurred on at least five separate days and your Elimination Period has ended, the Cash Benefit rider pays you a benefit equal to:

- 15% of your Maximum Monthly Benefit in effect on the last day of the calendar month if on any of those days you receive Adult Day Care or Home Care Benefits; otherwise
- 10% of your Maximum Monthly Benefit in effect on the last day of the calendar month.

Benefits paid under this rider will not reduce your Available Benefit. This rider may have tax implications. You are advised to consult a tax advisor.

10. **LIMITATIONS AND EXCLUSIONS.**

a) **Pre-existing Conditions Coverage:** Your contract does not exclude pre-existing conditions.

b) **Non-eligible Facilities/Providers:** Your contract does not cover services provided by a facility or agency that does not meet the contract definition for such facility or agency, except as provided under the Alternate Care Benefit. This contract does not cover services provided in a clinic, hospital, sanatorium, or a home or facility for the treatment of mental illness, alcoholism or drug addiction.

c) **Non-eligible Levels of Care**: Your contract does not cover services that are not Qualified Long-Term Care Services as defined in the contract.

d) **Exclusions/Exceptions and Limitations:** Your contract does not pay benefits for:

- Charges billed by a doctor;
- Charges for prescription drugs;
- Services outside the United States, its territories and possessions except under the International Care Benefit;
- Services provided due to an attempt at suicide or an intentionally self-inflicted injury;
- Services provided for the treatment of alcoholism or drug addiction.
- Care or services provided by an immediate family member.
- Which benefits are payable under any state or federal workers' compensation, employer's liability or occupational disease law;
- Expenses which are reimbursable under Medicare or would be reimbursable under Medicare but for the application of a deductible or coinsurance amount.

THIS CONTRACT MAY NOT COVER ALL THE EXPENSES ASSOCIATED WITH YOUR LONG-TERM CARE NEEDS.

11. **RELATIONSHIP OF COST OF CARE AND BENEFITS.**
Because the cost of long-term care services will likely increase over time, you should consider whether and how the benefits under this contract may be adjusted. For this purpose, you may add an Annual Increase Benefit rider or a Flexible Increase Benefit rider for an additional cost.

An optional **Compound Annual Increase Benefit rider** increases your Maximum Monthly Benefit, Available Benefit and Ancillary Benefit Limits on each rider anniversary by either 5%, 3%, 2% or 1% (depending on which rider you select) of the corresponding amounts in effect immediately before the increase. Premiums for this rider are set at the time of issue. Increases in coverage under this rider will not cause an increase in your contract's premium.

An optional **Flexible Increase Benefit rider** increases your Maximum Monthly Benefit, Available Benefit and Ancillary Benefit Limits on each rider anniversary by 5% of the corresponding amounts in effect immediately before the increase. You may decline the increase. If you decline three consecutive increases, automatic annual increases will cease and future increases will be provided only on rider anniversaries occurring while premiums are being waived under the Waiver of Premium provision of the contract. Premiums for this rider are set at the time of issue. Your contract's premium will increase with each option elected and will be based on your age at the time of the increase.

At the end of this outline is a graphic comparison of the benefit levels of a contract that includes the increase benefit over the coverage period with a contract that does not include the increase benefit. A relative cost comparison chart illustrates long-term care contract premiums with and without the increase benefit.

12. **ALZHEIMER'S DISEASE AND OTHER ORGANIC BRAIN DISORDERS.**
This contract includes benefits for persons who are clinically diagnosed as having Alzheimer's disease or related degenerative and dementing illnesses and meet the qualifying for benefits requirements described in the contract.

13. **PREMIUM.**

Things You Should Know Before You Buy Long-Term Care Insurance

Long-Term Care Insurance

- A long-term care insurance policy may pay most of the costs for your care in a nursing home. Many policies also pay for care at home or other community settings. Since policies can vary in coverage, you should read this policy and make sure you understand what it covers before you buy it.
- You should **not** buy this insurance policy unless you can afford to pay the premiums every year. Remember that the company can increase premiums in the future.
- The personal worksheet includes questions designed to help you and the company determine whether this policy is suitable for your needs.

Medicare

- Medicare does **not** pay for most long-term care.

Medicaid

- Medicaid will generally pay for long-term care if you have very little income and few assets. You probably should **not** buy this policy if you are now eligible for Medicaid.
- Many people become eligible for Medicaid after they have used up their own financial resources by paying for long-term care services.
- When Medicaid pays your spouse's nursing home bills, you are allowed to keep your house and furniture, a living allowance, and some of your joint assets.
- Your choice of long-term care services may be limited if you are receiving Medicaid. To learn more about Medicaid, contact your local or state Medicaid agency.

Shopper's Guide

- Make sure the insurance company or agent gives you a copy of a book called the National Association of Insurance Commissioners' "A Shopper's Guide to Long-Term Care Insurance." Read it carefully. If you have decided to apply for long-term care insurance, you have the right to return the policy within 30 days and get back any premium you have paid if you are dissatisfied for any reason or choose not to purchase the policy.

Counseling

- Free counseling and additional information about long-term care insurance are available through your state's insurance counseling program. For more information about the senior health insurance counseling program in your state, contact the state agency listed in the Directories in the above mentioned Shopper's Guide to Long-Term Care Insurance.

Facilities

- Some long-term care insurance contracts provide for benefit payments in certain facilities only if they are licensed or certified, such as in assisted living centers. However, not all states regulate these facilities in the same way. Also, many people move into a different state from where they purchased their long-term care insurance policy. Read the policy carefully to determine what types of facilities qualify for benefit payments, and to determine that payment for a covered service will be made if you move to a state that has a different licensing scheme for facilities than the one in which you purchased the policy.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

• Form 1099-INT (interest earned or paid).

• Form 1099-DIV (dividends, including those from stocks or mutual funds).

• Form 1099-MISC (various types of income, prizes, awards, or gross proceeds).

• Form 1099-NEC (nonemployee compensation).

• Form 1099-B (stock or mutual fund sales and certain other transactions by brokers).

• Form 1099-S (proceeds from real estate transactions).

• Form 1099-K (merchant card and third-party network transactions).

• Form 1098 (home mortgage interest), 1098-E (student loan interest), and 1098-T (tuition).

• Form 1099-C (canceled debt).

• Form 1099-A (acquisition or abandonment of secured property).

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

Caution: If you don't return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);

2. Certify that you are not subject to backup withholding; or

3. Claim exemption from backup withholding if you are a U.S. exempt payee; and

4. Certify to your non-foreign status for purposes of withholding under chapter 3 or 4 of the Code (if applicable); and

5. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting is correct. See *What Is FATCA Reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

• An individual who is a U.S. citizen or U.S. resident alien;

• A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;

• An estate (other than a foreign estate); or

• A domestic trust (as defined in Regulations section 301.7701-7).

Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding. Payments made to foreign persons, including certain distributions, allocations of income, or transfers of sales proceeds, may be subject to withholding under chapter 3 or chapter 4 of the Code (sections 1441–1474). Under those rules, if a Form W-9 or other certification of non-foreign status has not been received, a withholding agent, transferee, or partnership (payor) generally applies presumption rules that may require the payor to withhold applicable tax from the recipient, owner, transferor, or partner (payee). See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities.

The following persons must provide Form W-9 to the payor for purposes of establishing its non-foreign status.

• In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the disregarded entity.

• In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the grantor trust.

• In the case of a U.S. trust (other than a grantor trust), the U.S. trust and not the beneficiaries of the trust.

See Pub. 515 for more information on providing a Form W-9 or a certification of non-foreign status to avoid withholding.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person (under Regulations section 1.1441-1(b)(2)(iv) or other applicable section for chapter 3 or 4 purposes), do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515). If you are a qualified foreign pension fund under Regulations section 1.897(l)-1(d), or a partnership that is wholly owned by qualified foreign pension funds, that is treated as a non-foreign person for purposes of section 1445 withholding, do not use Form W-9. Instead, use Form W-8EXP (or other certification of non-foreign status).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a saving clause. Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.

2. The treaty article addressing the income.

3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if their stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on their scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include, but are not limited to, interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester;

2. You do not certify your TIN when required (see the instructions for Part II for details);

3. The IRS tells the requester that you furnished an incorrect TIN;

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only); or

5. You do not certify to the requester that you are not subject to backup withholding, as described in item 4 under "*By signing the filled-out form*" above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier.

What Is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all U.S. account holders that are specified U.S. persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you are no longer tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

• **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note for ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040 you filed with your application.

• **Sole proprietor.** Enter your individual name as shown on your Form 1040 on line 1. Enter your business, trade, or "doing business as" (DBA) name on line 2.

• **Partnership, C corporation, S corporation, or LLC, other than a disregarded entity.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

• **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. Enter any business, trade, or DBA name on line 2.

• **Disregarded entity.** In general, a business entity that has a single owner, including an LLC, and is not a corporation, is disregarded as an entity separate from its owner (a disregarded entity). See Regulations section 301.7701-2(c)(2). A disregarded entity should check the appropriate box for the tax classification of its owner. Enter the owner's name on line 1. The name of the owner entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, enter it on line 2.

Line 3a

Check the appropriate box on line 3a for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3a.

IF the entity/individual on line 1 is a(n) . . .	THEN check the box for . . .
• Corporation	Corporation.
• Individual or • Sole proprietorship	Individual/sole proprietor.
• LLC classified as a partnership for U.S. federal tax purposes or • LLC that has filed Form 8832 or 2553 electing to be taxed as a corporation	Limited liability company and enter the appropriate tax classification: P = Partnership, C = C corporation, or S = S corporation.
• Partnership	Partnership.
• Trust/estate	Trust/estate.

Line 3b

Check this box if you are a partnership (including an LLC classified as a partnership for U.S. federal tax purposes), trust, or estate that has any foreign partners, owners, or beneficiaries, and you are providing this form to a partnership, trust, or estate, in which you have an ownership interest. You must check the box on line 3b if you receive a Form W-8 (or documentary evidence) from any partner, owner, or beneficiary establishing foreign status or if you receive a Form W-9 from any partner, owner, or beneficiary that has checked the box on line 3b.

Note: A partnership that provides a Form W-9 and checks box 3b may be required to complete Schedules K-2 and K-3 (Form 1065). For more information, see the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

If you are required to complete line 3b but fail to do so, you may not receive the information necessary to file a correct information return with the IRS or furnish a correct payee statement to your partners or beneficiaries. See, for example, sections 6698, 6722, and 6724 for penalties that may apply.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) entered on the line for a FATCA exemption code.

L—A trust exempt from tax under section 664 or described in section 4947(a)(1).

M—A tax-exempt trust under a section 403(b) plan or section 457(g) plan.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, enter "NEW" at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have, and are not eligible to get, an SSN, your TIN is your IRS ITIN. Enter it in the entry space for the Social security number. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at *www.SSA.gov*. You may also get this form by calling 800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at *www.irs.gov/EIN*. Go to *www.irs.gov/Forms* to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to *www.irs.gov/OrderForms* to place an order and have Form W-7 and/or Form SS-4 mailed to you within 15 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, you will generally have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon. See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier, for when you may instead be subject to withholding under chapter 3 or 4 of the Code.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third-party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, SSN, or other identifying information, without your permission to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax return preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity, or a questionable credit report, contact the IRS Identity Theft Hotline at 800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 877-777-4778 or TTY/TDD 800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to *phishing@irs.gov*. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 800-366-4484. You can forward suspicious emails to the Federal Trade Commission at *spam@uce.gov* or report them at *www.ftc.gov/complaint*. You can contact the FTC at *www.ftc.gov/idtheft* or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see *www.IdentityTheft.gov* and Pub. 5027.

Go to *www.irs.gov/IdentityTheft* to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and territories for use in administering their laws. The information may also be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payors must generally withhold a percentage of taxable interest, dividends, and certain other payments to a payee who does not give a TIN to the payor. Certain penalties may also apply for providing false or fraudulent information.

Long-Term Care Insurance Personal Worksheet

People buy long-term care insurance for many reasons. Some don't want to use their own assets to pay for long-term care. Some buy insurance to make sure they can choose the type of care they get. Others don't want their family to have to pay for care or don't want to go on Medicaid. But long-term care insurance may be expensive, and may not be right for everyone.

By state law, the insurance company must fill out part of the information on this worksheet and **ask** you to fill out the rest to help you and the company decide if you should buy this policy.

Premium Information for Issue Age Rate Schedules

Policy form numbers	The premium for the coverage you are considering will be $ _____ per month, or $ _____ semiannually or $ _____ per quarter, or $ _____ year.	**Type of policy** (noncancellable/guaranteed renewable)
ICC13 H-HX-LTC		**Guaranteed Renewable**

The Company's Right to Increase Premiums:

The company has a right to increase the premium rate schedule on this policy form in the future, provided it raises rates for all policies in the same class.

Rate Increase History

The company has sold long-term care insurance since 1987 and has sold this policy since 2012.

The company has raised its premium rates on this policy form or similar policy forms in the last 10 years. Following is a summary of the rate increases.

Thrivent Policy Series[1]	Years Available for Sale	Calendar Year of Increase	Percentages of Increase[3]
12105, 12106	1997-2003	2004[2]	Range: 0% to 39% Average = 20%
H2-LN-LTC-1, H2-LH-LTCH-1	1990-1992	2004[2]	Range: -19% to 59% Average = 13%
H2-LA-LTC-1	1992-1997	2004[2]	Range: -22% to 59% Average = 16%
H3-NN-LTCN-1(97), H3-NC-LTCC-1(97)	1997-2003	2004[2]	Range: 0% to 59% Average = 37%

[1] Not every policy series was available in every state.

[2] The increase was implemented over the years 2004 to 2009 as the filing process was completed for each state.

[3] Percentage of increase varies by state, issue age and plan of insurance.

Refer to your AdvisorFlex Managed Variable Annuity Client Agreement with Thrivent Investment Management Inc. for specifics about your Program Fee including your Program Fee amount and frequency.
Because the exact amount and date of your Program Fee fluctuates, Thrivent will notify you in advance of withdrawing every Program Fee payment from your bank account. Thrivent will provide that notice at least 10 days prior to withdrawing your payment. You must notify Thrivent before the draw date indicated on that notice if you want to cancel the draw. If you do not notify Thrivent by that date, Thrivent will deem you to agree to the date and amount of the withdrawal.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF INDIVIDUAL ACCIDENT AND SICKNESS OR LONG-TERM CARE INSURANCE

Thrivent Financial for Lutherans, 4321 N. Ballard Road, Appleton, WI 54919

SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

According to your application, you intend to lapse or otherwise terminate existing accident and sickness or long-term care insurance and replace it with an individual long-term care insurance policy to be issued by Thrivent Financial for Lutherans. Your new policy provides thirty (30) days within which you may decide, without cost, whether you desire to keep the policy. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

You should review this new coverage carefully, comparing it with all accident and sickness or long-term care insurance coverage you now have, and terminate your present policy only if, after due consideration, you find that purchase of this long-term care coverage is a wise decision.

STATEMENT TO APPLICANT BY AGENT: (Use additional sheets, as necessary.)

I have reviewed your current medical or health insurance coverage. I believe the replacement of insurance involved in this transaction materially improves your position. My conclusion has taken into account the following considerations, which I call to your attention:

1. Health conditions that you may presently have (preexisting conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay in payment of benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. State law provides that your replacement policy or certificate may not contain new preexisting conditions or probationary periods. The company will waive any time periods applicable to preexisting conditions or probationary periods in the new policy (or coverage) for similar benefits to the extent such time was spent (depleted) under the original policy.
3. If you are replacing existing long-term care insurance coverage, you may wish to secure the advice of your present company or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
4. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.

Disclosures

Surrender Details

I fully acknowledge and understand that by distributing the amount requested from my contract/agreement, the following may result:

Upon complete surrender, I understand that all insurance coverage provided by this contract and the rights of all beneficiaries under this contract cease as of the date this form is properly signed.

Taxable Gain - The distributions may result in the reporting of taxable gains to me.

Penalty Tax - An IRS premature distribution penalty may apply to the taxable portion of the surrender if I am under age 59 1/2 or if this is a SIMPLE IRA and I have participated for less than two years.

Surrender charges may apply.

A market value adjustment (MVA) may apply to distributions from a Fixed Period Allocation.

Surrenders removed from the Indexed Account will not receive any interest credited on the Interest Crediting Date.

Automatic Payout Option (APO) - Only available on Deferred Annuities and FPDAs. If we receive this form in good order after your selected start date, the start date shall be deemed the first business day (or Valuation Date for variable products) that occurs on or after the date of receipt. Subsequent transactions requested pursuant to this form shall be based upon your selected start date.

If 29-31 is chosen, the 28th will be used. If no date is entered, your distribution amount will be the 15th.

Allow 2-5 business days after date selected for funds to be available to you.

Interest only payment must be at least $25.00. Not available for FPDA or Advisor/Flex.

Fixed - Amount - FPDA only - payment amounts under $200 will require direct deposit or payment to another Thrivent product.

Fixed Percent - % of cash value to be distributed at the time of each surrender. i.e. .8% monthly = 9.6%, or approximately 10% annually. Not available for FPDA.

If the payment frequency is blank, illegible or invalid, you are deemed to have elected annual distribution. If annual distribution is elected, but the month is left blank, illegible or invalid, you are deemed to have elected December. If the date of the distribution is left blank, illegible or invalid, you are deemed to have elected the 15th and for distributions to begin when this date next occurs.

If funds are being removed from a specific subaccount, and the value of that subaccount drops below the requested distribution amount, the value in that subaccount will be depleted and the balance will be taken proportionately from the remaining subaccounts. Subsequent payouts will be removed proportionately from all the remaining subaccounts, unless otherwise instructed.

Impact of Withdrawal on Guaranteed Lifetime Withdrawal Benefit (GLWB) rider - If you have a GLWB rider and a withdrawal results in a GLWB Excess Surrender as defined by the GLWB rider, all GLWB guaranteed values will be reduced. Please see the prospectus for details.

For Income Builder GLWB Rider Only: Be advised that the first withdrawal will set your withdrawal percentage.

For an annuity with the Long-Term Care (LTC) Insurance Rider - If the reason for your surrender request is due to the need to pay for LTC costs, make a claim from your LTC benefits instead of taking a partial surrender from your annuity.

Impact of Surrender or Partial Surrender on LTC Insurance Benefits - I understand that if the LTC Insurance Rider is present, a request to surrender, or a request for a partial surrender which results in the Accumulated Value being less than the required minimum, the LTC Insurance Rider will terminate and all LTC benefits will cease (although nonforfeiture benefits may be available). I understand that if the LTC Insurance Rider is present, a request for a partial surrender will result in a reduction of my available LTC Insurance benefits. Partial surrenders may be subject to income taxation.

I understand that the distribution and any taxable gain resulting from this distribution cannot be reversed once the distribution is processed. Such taxable gain will be subject to federal and state income tax withholding, unless the federal and state tax withholding election is completed.

Transactions are processed as of market close on the day the form is received in good order. If the withdrawal amount requested will cause the value of the contract to fall below the required minimum balance due to market fluctuation, the maximum amount available will be withdrawn.

Disclosure and Important Information Regarding Qualified Charitable Distributions (QCD)

- Use only when IRA owner is 70 1/2 or older.
- The IRS defines QCD as an otherwise taxable distribution from an IRA (other than an ongoing SEP or SIMPLE IRA) owned by an individual who has attained the required age that is paid directly from the IRA to a qualified charity.
- The charity must qualify as a 501(c)(3) organization and be eligible to receive tax-deductible contributions. Certain charities do not qualify; such as, sponsoring charities of donor-advised funds, private foundations and supporting organizations.
- Consult a tax professional to discuss this option as it is your responsibility to ensure the distribution made with this form complies with the IRS rules.
- Thrivent will report this distribution to the IRS on IRS Form 1099-R.

Specific Subaccount Surrender

Minimum requirements may apply. Allocations of percentages are subject to availability. If a specific subaccount or allocation period is chosen, and the percentage field is entered, the percentage requested will be based on the specific subaccount or allocation period value, not the entire contract value. If more than 3 subaccounts, use section 7 - Additional Information.

Delivery of Payment

Direct Deposit - I authorize Thrivent to make this electronic deposit and, if necessary, corrections to my bank account. I further authorize Thrivent to act upon future electronic deposit instructions I provide to my representative or directly to Thrivent. My authorization is valid for electronic deposits and corrections that comply with U.S. law. This authorization shall remain in full force and effect until I revoke it by giving 10 day prior notice to Thrivent.

Checks - For contracts with multiple owners, disbursement checks may be made payable to only the primary owner. If only the primary owner's name appears as the payee on a disbursement check from a contract with multiple owners, it is the responsibility of the primary owner to obtain signatures of the other owners prior to cashing the check. If the disbursement results in taxable income, the tax information will be reported to all owners.

When providing bank information on this form, you authorize Thrivent to use a Third-Party Service Provider to verify account and account owner information. Account and/or account owner information that cannot be verified may result in a delay in processing. This Third-Party Service Provider is a consumer reporting agency under the Fair Credit Reporting Act. By signing this form, you understand and agree that a consumer report, including credit reports, criminal records and driving records, among other forms of information obtained from private and public record sources, may be obtained on you as part of this transaction.

For internal product-to-product transfers only - Only available for One-time Partial or Complete Surrenders. Unless otherwise indicated herein, I intend the requested transfer(s) from the distributing contract(s) to become effective only if and when:

Thrivent (including its subsidiaries and affiliates) has approved the first application of the amount(s) requested to the receiving contract(s), as described above, or, if not, as I subsequently agree to accept; and

with respect to any receiving contract(s) that I have applied for, as described above, Thrivent (including its subsidiaries and affiliates) has approved the issuance of the receiving contract(s), as applied for or, if not, as I subsequently agree to accept.

Withholding and Charges

Notification of Withholding and Surrender Charges (Not Applicable for FPDAs) - You are liable for federal and state income tax, where applicable, on the taxable portion of your distribution even if you elect no withholding. You may be subject to tax penalties under the estimated tax payment rules if your payments of estimated tax and withholding, if any, are not adequate. Check with your tax advisor to determine if withholding is necessary.

Form W-4R can be found on Thrivent Online Forms Utility or www.irs.gov/formsinstructions

State Withholding - If withholding is indicated and the dollar amount or percentage is less than the state minimum, or if amount or percentage is not completed, we will withhold at your State's minimum rate.

Residents of Connecticut - submit the Form CT-W4P to indicate your withholding election with this form. If you do not submit Form CT-W4P with this form, Thrivent will use your most recently-submitted CT-W4P, if one is on file. If you do not submit Form CT-W4P with this form and you have not previously submitted Form CT-W4P, the maximum rate will be withheld.

You have the right to revoke or change your withholding election at least 10 days prior to the effective date of the distribution.

Mandatory Tax - Distributions from a 403(b) or qualified retirement plan that are eligible for rollover and are not directly rolled over are subject to mandatory 20% federal tax withholding. Refer to the 403(b) and Qualified Plan Distribution Disclosure (form 9972) for more information. If your distribution is subject to mandatory 20% federal tax withholding, your distribution may also be subject to mandatory state tax withholding.

Roth IRA Distributions - No tax withholding will be withheld from your Roth IRA.

Qualified Charitable Distribution - No tax withholding will be withheld from your qualified annuity.

Plan Trustee Certification

Notice to Qualified Plan Trustee(s) - Trustee(s) of Qualified Retirement Plans (such as Money Purchase Plans, Profit Sharing Plans, 401(k) Plans, Defined Benefit Plans, etc.) or 457(b) Plans must provide the Qualified Joint and Survivor Annuity Notice, when applicable, to plan participants. Your Thrivent representative will provide you with the required participant-specific benefit illustration to accompany the Qualified Joint and Survivor Annuity Notice. If a form of benefit other than the Qualified Joint and Survivor Annuity is elected, spousal consent must be obtained. Trustee(s) are also required to provide participants with a Distribution Disclosure Notice.

If you do not have the above referenced notices, Thrivent has generic notices for your use. These notices should be reviewed by your tax advisor to verify suitability for your plan. You are responsible for providing the applicable notices and obtaining any required signatures. Thrivent does not require a copy of these notices be sent to our office.

Generic Notices Available:

Qualified Joint and Survivor Annuity Notice form
Spousal Consent form
403(b) and Qualified Plan Distribution Disclosure form

Validation

For your protection, validation of your identity is requested for certain variable and non-variable contract transactions. Surrender/disbursement transactions:

a. Greater than $499,999 will require a Medallion Signature Guarantee for variable contract transactions and a Notary Public for non-variable contract transactions.
b. Greater than $99,999 and up to $499,999 will require one of the following forms of validation:
   Attestation by a Thrivent representative
   A Notary Public
   A Medallion Signature Guarantee (not available for fixed contracts)
c. Greater than $10,000, less than $99,999, and the address of record changed within the prior 15 days will require a Notary Public or attestation by a Thrivent representative.
d. Greater than $10,000, less than $99,999, and the bank information provided has been on record for less than 15 days will require a Notary Public, or attestation by a Thrivent representative.
e. Requesting special distribution instructions will also require one of the three forms of validation listed in (b) above. Examples include: Request to send proceeds to an address other than the one listed on your contract and/or request to make proceeds payable to someone other than the current owner.
   A Notary Public or Medallion Signature Guarantee may generally be obtained at any national bank.

Agreements and Signatures

403(b) or Tax Sheltered Annuity Distribution Acknowledgement - I acknowledge that if this distribution is an eligible rollover distribution from a 403(b) and is not a direct rollover to a qualified retirement plan or IRA, the taxable amount of the distribution will be subject to 20% income tax withholding. I also acknowledge that I have received and read the 403(b) and Qualified Plan Distribution Disclosure (form 9972). I acknowledge that I have the right to delay making a decision regarding the distribution from the above plan for at least 30 days after receiving the 403(b) and Qualified Plan Distribution form and have been given this opportunity. I hereby elect to waive my right to the 30 day waiting period and request Thrivent to make this distribution as soon as administratively possible. Due to the tax consequences, I have been advised to seek competent tax advice pertaining to this distribution.

- All coverage provided by my Source Contract and the rights of the beneficiaries under the contract cease.

I understand that:

- If I take a distribution from either contract (Source or Destination) within 180 days after the exchange, the IRS may treat this exchange as a way to avoid tax and I may be assessed with additional taxes, penalties and interest.
- Thrivent is unable to predict what regulations or tax requirements, if any, will be issued regarding partial exchanges and the effect those regulations or requirements will have on any contracts involved in a partial exchange.

Ad Hoc 1035 Exchanges

I understand that:

- I may request to distribute the amount from specific investment options/allocations.
- If I do not request to distribute the amount from specific investment options/allocations, distributions will occur as follows:

Exchanges to a Long-Term Care Insurance or Life Insurance with Long-Term Care

I understand that:

- It is currently unclear what, if any, tax impact the exchange may have on long-term care benefit payments. I fully acknowledge and understand that Thrivent is unable to predict what regulation or tax requirements, if any will be issued regarding exchanges to long-term care insurance and the effect those regulations or requirements will have on any contract involved in the exchange.

Recurring 1035 Exchange Requests to Long-Term Care Insurance

I understand that:

- Subsequent exchange amounts may vary based on amounts billed for my long-term care insurance contract and authorize adjustment of the requested 1035 exchange amount to reflect the amount necessary in subsequent exchanges. Thrivent will provide notice of the necessary 1035 exchange amount taken each year.
- The payments to the long-term care insurance contract are withdrawals from my annuity contract and will reduce and possibly deplete the value of my annuity contract.
- Distributions will occur as follows:
  - Variable and Multi-Year Guarantee Annuity - proportionately from each investment option/allocation,
  - Fixed Indexed Annuity amounts from the Fixed Account and will only be taken from the Indexed Account when the value in the Fixed Account is insufficient. Amounts removed from the Indexed Account will not receive any interest.

1035 Annuity to Pay Long Term Care Disclosure

Thrivent ID

Section 1 - General Information

Annuity contract number	Long Term Care contract number
Name of annuitant(s)	Name of insured(s)
Name of owner(s)	Name of owner(s)

Section 2 - Disclosures

- The IRS has not issued any guidance as to exchanges where the annuitant(s) do not match the insured(s). As such, the law is unclear as to whether the IRS would recognize such an exchange as tax free.
- If the IRS determines this partial exchange was entered into for tax avoidance purposes, or otherwise will not recognize it as a tax free exchange, the IRS may impose income taxes, tax penalties, and interest on the distribution.
- Thrivent is unable to predict what regulations or tax requirements, if any, will be issued regarding exchanges from an annuity contract to a long term care contract where the annuitant(s) do not match the insured(s). Thrivent cannot predict the effect any such regulations or requirements will have on any contracts involved in a partial exchange.
- Thrivent will not be held responsible for any adverse tax consequences resulting from a partial exchange where the annuitant(s) on an annuity contract do not match the insured(s) on the long term care contract.
- Thrivent strongly suggests that you consult with a competent tax adviser before requesting a partial exchange from an annuity contract to pay a long term care premium where the annuitant(s) and insured(s) do not match.
- Thrivent does not provide tax advice.

Section 3 - Agreements and Signatures

By signing below, I acknowledge the disclosures provided by Thrivent regarding the transaction requested. I have had the opportunity (whether exercised or not) to discuss the transaction with a lawyer or tax advisor of my choosing. I agree not to hold responsible Thrivent, its officers, directors, agents, employees and affiliates for any and all claims, demands, proceedings, suits and actions and all liabilities, losses, expenses and costs (including any legal fees and expenses) arising out of or related to the transactions involving partial assignment of the annuity contract listed above and the partial exchange of premium from that annuity contract to the long term care insurance contract listed above.

Advanced Premium Payment Long Term Care Insurance

Name of applicant	Payment $

- Your advanced premium payment must be at least one month's premium.

Why is an advance premium payment important?

By making an advance premium payment with your application, underwriting will not be affected by any change in health status that occurs after the later of:

- The date you make the advanced premium payment, or
- The date you sign your application, or
- The date you complete all tests or physical exams required by Thrivent, if applicable.

No coverage is effective until your application is approved and a contract is issued.

Completing this application or making an advanced premium payment does not guarantee that your application will be approved.

If a contract is issued, you must pay all premiums when due to keep your contract in force.

If a contract is not issued any advanced premium payment submitted with the application will be refunded without interest.

Oregon's Long-Term Care Qualified Partnership Program

Oregon has established a partnership among the Department of Human Services (DHS), the Department of Consumer and Business Services, and some private long-term care insurers to offer special long-term care (LTC) insurance policies that entitle policy holders to asset protection. The policies will be available beginning Jan. 1, 2008. These policies must meet certain state and federal requirements. A qualified partnership policy (QPP) may be entitled to special asset protection under Oregon's Medicaid program.

The information contained in this disclosure is based on current Oregon and federal laws. These laws may change. Any change in law could reduce or eliminate the beneficial treatment of your policy under Oregon's Medicaid program.

What is special about a QPP?

Even after receiving LTC insurance payments, some people have to apply for Medicaid. If you purchase a QPP, you may qualify for Medicaid and keep more assets than other Medicaid clients. Assets include money in the bank, investments, and real property. Generally, people qualify for Medicaid when they have assets of $2,000 or less. A QPP allows you to keep assets equal to the amount of LTC insurance benefits you received. Also, a QPP protects your inheritance in the same amount. For example, if your QPP paid $50,000 for your LTC before you applied for Medicaid, you would get to keep both $2,000 and $50,000 and still be eligible for Medicaid. Medicaid would collect $50,000 less from your estate, if that amount is still in your estate when you die.

A QPP does not automatically make you eligible for Medicaid. All other Medicaid criteria will still apply, including home equity limits that may make you ineligible for Medicaid. Contact DHS if you have Medicaid eligibility questions.

Does the QPP status of a policy ever change?

A QPP is required to meet certain state and federal requirements. If you decide to purchase a policy and then make changes later, confirm with your insurance agent that the changes will not affect the QPP status. If you move out of Oregon, a QPP may protect assets for Medicaid in another state, but only if that state recognizes your policy as a partnership policy under its federally approved partnership program.

How do I make sure I get a QPP and not just a regular LTC insurance policy?

Not all LTC policies are QPPs. Let your insurance agent know that you want a QPP, and he or she will make sure that you purchase one. Your insurance carrier will provide a written verification that your policy is a partnership policy when you receive it.
